

Appendix 2: Focus Group Questions

Research Impact

1. Was the project successful in achieving your stated goals? (Does it seem like it will be successful?)
2. Has your involvement as an informationist improved the data practices or added value in some other way to the project outcomes of your research team?
3. Have you continued to work with your research team once funding ran out? (Do you think you will continue to work with your research team?)
4. As a result of this project have you started working with other research teams? (Do you think you will start working with other research teams?)

Evaluation

5. What methods did you use to evaluate your contribution as an informationist? (What methods are you using?)

Overall Experience

6. Would you do another informationist project? If so, what would you do differently?
7. What do you wish you had known before you began your informationist work?
